## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2010-2011 school year was another successful year at Old Pointe Elementary School. Our school was awarded the Palmetto Gold award from the South Carolina Department of Education for our overall school performance on PASS. We are extremely proud of this honor because it is the highest honor possible in South Carolina for academic performance. It signifies the level of our commitment and our belief that every child can and will learn. Old Pointe Elementary school faculty and staff provide engaging instruction for all students in a caring and safe environment. Our faculty and staff share the same high expectations as parents: a safe, clean environment where all children experience academic success. Our community actively seeks a role in the education and celebration of our children.

In addition to a rigorous curriculum, high expectations for student achievement, and relevant learning experiences, our students learn to be good citizens through participation in numerous community service projects. Students learn how we are all connected and how they can contribute their time and talents to make the world a better place by participating in awareness activities such as Pennies for Patients and Hearts for Hunger. Student leadership opportunities such as Student Council, Bus Patrol, Safety Patrol, Panther News Network, and Panther Pals, are also designed to assist students in becoming responsible citizens within their school.

Our high quality faculty has their own educational achievements to be proud of. Several teachers earned advanced degrees in the field of education while others have started the journey. In addition, our teachers and staff have written and received over \$8,000 in grants during the challenging 2010-2011 fiscal year.

Our PTO continues to support our school in so many ways. They work closely with the school to aid in achieving set goals. PTO stepped up to the plate this year and provided teachers with a significant amount of supply money when budgetary restrictions cut their supply budget. Our SIC provided advocacy and support with several school support concerns including the need to address local policy makers and state officials about traffic safety concerns. Our parent support groups closely aligned themselves with school staff and assist with communicating our mission, goals, and direction so that we collectively work together to provide outstanding support to students. Our community partnerships and faith-based partnerships continue to bridge the gap for our students and families by providing numerous resources for our school community.

The Old Pointe faculty and staff continue to develop innovative strategies to address students' needs. Old Pointe Elementary is dedicated to being a community that actively engages the learner and encourages them to see no limits to their learning.

Dr. Tanya L. Campbell, Principal  
Serena Williams, SIC Chair
